Pledge

Motion to accept March 2022 Minutes - Made by Angela Muchal - Seconded by Roberta Galati. All in favor.

Minutes

- Megan will let Denny know that he should check out the Caccura property on Front Street to determine if the Ward Street project will address his issue. Denney will be in Jessup 4/14.
- Reviewed all active project
 1. Bridge Street – Water and gas valves were measured Monday. The project is on hold till 4/28 meeting. The goal of the meeting is to resolve the issues impeding the project.
 2. Blakely/Lane streets (PEMA/FEMA project) – There is one requirement to complete for the PEMA grant application (BACA Tool Kit). It should be completed next week. We will use model data (very extensive process) as no historical data exists.
 3. Church Street – The engineer will determine if we can increase the Front street storm line to 42”.
 4. Winthrop – The engineer is working on the plan modification to incorporate the extension of the storm line to the Dodson property on Filbert Street.
 5. MS4/PRP Plan- The public awareness meeting needs to be rescheduled. It will be scheduled before the either the May Work Session or Council meeting. Also, the engineer needs to get the amounts off sediment removed from Sterry Creek in the 2021 project. They can request that from Mia via email.

New Business

- The engineer needs the MS4 mappings in AutoCAD format.
