A	Approved Grant meeting minutes for year 2023 to date
B	Reviewed listing of Current Projects and Grant Application
	1. PEMA/FEMA grant application submitted to install stormwater system beginning at the top of Blakely Street to dump into Sterry Creek.
	2. DCNR grant application for JYSA complex to upgrade lighting, install ADA walkways and upgrade bleachers to ADA (three fields), upgrade parking lot and address stormwater issues in the area.
	3. Greenways, Trails and Recreation grant application submitted to install a restroom at Kids Korner, upgrade the playing fields and dugout areas at Memorial Field
	4. A grant application has been submitted in regard to sidewalks on Hill Street - I believe this was through CFA Multimodal.
	5. CDBG grant awarded to Jessup to upgrade the bathroom facilities at the Jessup Borough Building, construction to start soon.
	6. CDBG grant application submitted to utilize funds for a sewer project in the area of Mary Jo Drive.
	7. CDBG grant application submitted to utilize funds for ADA walkways, bleachers and ADA unloading zone at JYSA Complex.
c	New Projects and Grant options
	1.Sara Brady Park-ADA accessible Fishing Dock, Canoe launch
	a. Engineer researching surveys to confirm land ownership
	b. Sara will apply for grant through Fish and Boat Commission. Rella discussed with representative of commission. He very receptive to grant application; knowledgeable about Heritage Trail, and feels good idea. There is one in Scranton 7 up Valley, would be nice in between
	c. Resurface tennis and basketball courts at Memorial Field
	d. Apply for lighting upgrade and solar power generation at JYSA Complex
	e. Apply for splash pad (tot lot area) and parking expansion at JYSA Complex.. Discussed issue of park closed because of water contamination
	f. Upgrade Church Street corridor (upgrade lighting, streetscape, etc.)
