Pledge

Motion to accept February 8, 2023 Minutes - Made by Angela Muchal -
Seconded by Andrew Thomaskevich. All in favor.

Minutes

- The engineer will be directed to inspect the drainage area in the rear of Paris Ligi's property in the April time frame to see what is causing the water to pool. We will need to determine if it is a borough responsibility.
- Reviewed all active projects
 1. Ward Street – Punch list updated & sent on 2/28. The borough is seeking to call in the bond
 2. Bridge Street – The grant extension was obtained.
 3. Winthrop Street – Plans are not yet complete. Emily was advised that they should be completed ASAP
 4. Ferdinand Street – Submitted grant application for \$355,432
 5. Blakely/Lane Streets (PEMA/FEMA project) – Survey is complete. Working on AutoCAD designs.
 6. Olga Street – The design is complete, but the plan will not be completed until after funding is approved.
 7. MS4/PRP Plan- We have not yet heard from the agency on acceptance of our plan. Engineers are working on Detention basin design.
 8. MaryJo Drive – This is a sanitary sewer project and will be removed from this list.
 9. The seven addition projects discussed between Mia and Denny are ongoing nuisance projects. The highest priority one is Rt 247 and Memorial Dr.
 10. The Walsh Street pump estimate is \$73,000. We need to research flood mitigation grants

New Business

- Denny Spoke to Penske. If/when their plans are approved, they will be installing a rain garden that can be used against our MS4 requirements
