**Minutes**

- Reviewed all active projects
  1. 813 Lawler Dr- (Paris Ligi) Denny visited the site. The drain pipe is too narrow and high. Plans for the correction need to be drafted and estimates need to be created.
  2. Ward Street – Attorney Chris Szewczyk is working on issues with declaring substantial completion .
  3. Bridge Street – The Chatter 105 and Erosion & Sediment permits were submitted.
  4. Winthrop Street – Survey work was submitted and plans are being finalized. Waiting to hear on the results of the final grant that was applied for. – **No update**
  5. Ferdinand Street – Engineer is finishing the design and permit process. Attorney Chris Szewczyk will need to work on the easements
  6. Blakely/Lane Streets (PEMA/FEMA project) – Denny and Mia were having a 5/16 call with the funding agency to see if anything else is required for phase 2.
  7. Olga Street – The design is complete, but the plan will not be completed until after funding is approved. **No Update**
  8. MS4/PRP Plan- PA DEP requested a resubmittal, which was done. We have not received a response. We will roll everything into the 2023 plan. **No Update**
  9. MaryJo Drive – This is a sanitary sewer project. **No Update**
  10. Sand St and Grassy Island Ave – Going out to bid in June.
  11. Brennan Street – The short-term fix is correcting the issues with the existing drainage field and resolving the issues with the silt-sock
  12. The seven addition projects discussed between Mia and Denny are ongoing nuisance projects. The highest priority one is Rt 247 and Memorial Dr. **Denny will add a priority factor to the projects. No Update**
  13. The Walsh Street pump estimate is \$73,000. We need to research flood mitigation grants. **No Update**
  14. 4<sup>th</sup> and Sturges – Sewer issues added to the list for Denny to assess. **No Update**
