BOROUGH DEPARTMENTS AND OFFICIALS

Mayor Buckshon, Jr. absent

Controller Summarized the financial reports and special accounts. Reported the activity for the January.

Tax Collector reported \$22,223.09 in delinquent taxes was sent to The County for collection. Fifty-nine (59) properties receive a refuse bill, it's embarrassing to send out bills to collect so few dollars. Council should consider waiving the refuse collection fee for small and large businesses. Certification fees for the Tax Collector should include "duplicate" fees, and the checks should be made out to me personally not as the Tax Collector. I am requesting a resolution to address this.

Planning Commission Corey Mahon, new chairman introduced himself.

Zoning Officer reported Hose Company No. 1 property maintenance complaint has been brought into compliance. 803 Church Street has a new owner, the violations transferred, and a Notice of Violation will be posted on the property upon notice deadline. Mr. Ken Marino and Anthony Mengoni inspected the property on Saxon, no violations were cited. Provided the requirements following demotion related to the fire damaged property on 4th Avenue.

Councilman Camoni asked how many property maintenance complaints received? Anthony replied on average less than 2 per month during the winter months and in season 5 or less. Complaints are received via property maintenance complaint form, phone call or email from the Borough staff. NEIC investigates and inspects each complaint, follows proper course of action based on type of complaint and the severity of the complaint and findings.

Police Chief reported 258 calls for the month of January; notable calls: 1 identity theft, 1 DUI, 7 crashes, 4 harassment. Assisted 7 ALS calls.

DPW heat and water are on in the bank building; cleaned the ditch at Hand and Hill Streets, ordered more brackets for street name signs, ordered light bulbs for the clock at the top of Hill Street, pot hole work, and fixed Stop sign on 4th Avenue.

Engineer – Megan reporting virtually; 2023 Waste report completed for submission, communication attempted with PennDOT regarding the ADA ramp in front of Mariano's on 2nd Avenue. HOP application for Church Street project has been approved. Casey Barnes of Jessup Crossings requested more information separate from stormwater. Bid opening for February 29th; requesting from direction from Council as to who will perform the electronic opening. Will it be Mia or

JESSUP BOROUGH COUNCIL FEBRUARY 7, 2024

Peters Consultants? Mr. Peters met with Mr. Scott Hall at the St. Ubaldo Society Chapel to discuss the plans for the HVAC improvements under the Borough's LSA Grant.

** See attached monthly report provided to Council

Solicitor Armezzani Tunis sending a out letter of violation to Jessup Crossings tomorrow with a 90-day compliance period. New violations against Kearney Steel are actionable separately from current noise violation before The Court of Common Pleas. Property owner of 369 Lane Street had twenty (20) days to act on Notice to Demolish; the Borough adopted the full & complete 2015 International Property Maintenance Code citing the zoning officer is responsible for the demolition(s). Jessup has a contract with a third party professional providing the zoning services. Reminder of the Conditional Use Hearing for Lot #11 is Tuesday at 7:00 P.M.

Councilman Crinella asked if Council is required to vote for noise monitoring services to determine noise violations made by Kearney Steel. Solicitor Armezzani Tunis replied; professional services do not require formal action by Council.

Councilman Camoni questioned who is responsible for cited demolitions.

Councilman Betti asked if the Borough could pay for demolitions and lien properties. Solicitor Armezzani Tunis responded with information regarding the Land Bank.

Councilman Fiorelli offered the topic lends itself to a discussion of options.

Chief Clerk – reported on the updates and changes to include legislature learned at the Pennsylvania State Boroughs Association training. Changes to the monthly agenda to be compliant with new laws provides greater detail offering transparency and trust with the community. Facilitated initiation discussion and meeting to discuss a maintenance agreement with a new internet provider.

BOROUGH OFFICIALS

Gregg Betti asked that if the motion for the new garage lease passes, will someone notify Eastern we are ending the lease. What is Motion J? Solicitor Armezzani Tunis explained Motion J is for the LERTA application submitted by Sunnyside Warehouse already approved by Valley View School Board, discussed in previous meetings. Councilman Betti asked why does it say the land is deteriorated? Solicitor Armezzani Tunis responds.

Why does the garage door purchase have to be on the agenda? Solicitor Armezzani Tunis provides the regulations pertaining to purchases outside of the adopted budget.

Directed the Chief Clerk distribute the monthly meeting agenda for final approval to Council 48 hours in advance regardless if all of the necessary information for actionable motions are available at that time.

Tom Fiorelli proposed a policy to assist the residents effected by sewer back ups. Discussed grant opportunity for the renovations for the bank building. Met with representatives of the JYSA, they are excited to start in Spring. With improvements to the park, requesting Council consider purchasing new trash and recycling receptacles. Possibly have a sponsor to assist with the financial burden to purchase upgraded nice permanent trash and recycling receptacles.

Joe Mellado no report.

Jeffrey Castellani no report.

Curt Camoni discussion of new garbage cans is exciting, I'd like to see matching garbage cans on all public grounds, professional looking garbage cans, I fully support it. Questioned DPW Foreman why we are trading in a fairly new backhoe. Joe Cirba replied.

Asked Solicitor Armezzani Tunis what the procedure is for adopting Roberts Rules of Order.

Solicitor Armezzani Tunis provided the Borough may have already have a policy in effect. Will research further.

Following up on the agenda changes; is this a policy that has to be adopted by Council? Solicitor Armezzani Tunis responded the changes are PA Statue so no action is necessary by Council.

Following up on posting of minutes, YouTube Channel for the recorded meetings, posting link and meeting information is policy by Council, correct? Solicitor Armezzani Tunis responded she is still working on it.

Reported Mrs. Vanston's complaint regarding the ADA ramp at Church and 2nd Avenue was reported to the Assistant Borough Manager.

Jerry Crinella asked Solicitor if any updates on LEC's Air Quality Permit appeal. Solicitor responded. Questioned if the letter to Jessup Crossings regarding stormwater violations has been drafted. Will go out tomorrow.

OLD BUSINESS

Councilman Camoni asks for a moment of silence to honor Mr. Bill Urbin.

NEW BUSINESS

Councilman Betti questioned how Hometown Hero Banners that are weathered and tattered supposed to be handled. Councilman Betti offered to take over the program. President Galati responded.

Councilman Crinella suggested DPW make a list of tattered banners.

PUBLIC COMMENT (GENERAL)

Laurie Marino, 604 Church Street; asked if someone has the answers to the questions she asked at last month's meeting. Why doesn't the Solicitor have the answers prepared, a whole month has passed. Councilman Crinella told the Solicitor that attended last month's meeting to prepare a response, why are my answers not ready?

Brittani Barcsheski, requesting a meeting be held regarding 609 4th Avenue. Asked Anthony, NEIC if he met the correct owner of the property. Requests that proper procedures and testing, structural inspections be discussed since the demolition has occurred. We live next door to the property and have many concerns.

Corrine Sebastianelli, 1010 Ward Street; requests Ward Street One Way motion be brought back before Council. Major snow fall, make sure the storm drains are clear. We do not have a Borough Manager so who does she call? I called Mr. Betti and Mr. Camoni.

Genie Lupini; 21st Century is looking forward to with Borough Council. Reminder can donate the old Borough car to the Library. Property on Lane Street to be demolished may have an interested stake holder. On a Saturday afternoon will provide a service to search unclaimed money for residents from the Borough building. Comcast bill is so high, can't we find competition?

JESSUP BOROUGH COUNCIL FEBRUARY 7, 2024

Jeff Smith; Maura, excellent job, worked with you on zoning and I appreciate the work you do. Internet service, Bloomsburg is putting fiber optics under ground you should get the best maintenance agreement possible. Brittani Barcsheski, presented your concerns well. If you have a complaint about a dilapidated house or property, I encourage you to fill out the proper pater work. The LERTA deal, I am asking Council to take a better look at the numbers.

Motion by Joe Mellado, seconded by Tom Fiorelli to adjourn the meeting at 9:22 P.M.

**RE: WARD STREET – SHORT STREET – CLARKSON AVENUE
TRAFFIC STUDY RECOMMENDATION
JESSUP BOROUGH, LACKAWANNA COUNTY, PENNSYLVANIA
PCI PROJECT NO. 3272-23-24**

Dear Mr. Szewczyk,

As requested by the Borough, I have evaluated the traffic patterns along Ward Street, Short Street and Clarkson Avenue within the Borough of Jessup. My recommendations are as follows:

Ward Street: Grassy Island Avenue North to Powell Avenue.

The intersection at Grassy Island Avenue has a cartway of only 19.5' and an undersized turning radius at Grassy Island Avenue which creates a hazard at Ward Street if there is two-way traffic entering and existing Ward Street to and from Grassy Island Avenue. I recommend that Ward Street from Grassy Island Avenue North to Powell Avenue be changed to a one-way street.

Short Street: Ward Street East to Hill Street.

The Short Street cartway is only 17.5' wide and there is parking on both sides of the street plus several ADA reserved parking spaces on the North side which limits two-way traffic. I recommend that Short Street from Ward Street East to Hill Street be changed to a one-way street.

Clarkson Avenue:

Clarkson Avenue is currently a one-way street from Hill Street West to Court Street. N&N Drilling on the North side of Clarkson Avenue has heavy truck traffic coming and going from the business.

I recommend that signage be placed along Grassy Island Avenue to indicate that trucks traveling to N&N Drilling are to travel North on Hill Street and make a left turn onto Clarkson Avenue. Additional signage should be placed at Hill Street and Clarkson Avenue to direct truck traffic to make a left turn off of Hill Street to get to N&N Drilling. I also recommend installation of additional "no truck traffic" signage be placed at North and South Freedom Way, North and South Mylert Street, North and South Court Street, and North and South Ward Street to assist in directing truck traffic to proceed straight ahead to Church Street.

Dear Council Members,

I am writing in reference to the above captioned project. Fourteen (14) bids were submitted online through the PennBid program by 4:00 P.M. on February 29, 2024 and no bids were received at the Borough building. Our office opened the bid on February 29, 2024 during the Council work session meeting and read the bids aloud. The bid tabulation sheet and complete bid packets from each bidder were emailed to you on March 1, 2024.

Wayco, Incorporated was the lowest bidder with a bid totaling \$22,491.00. The bid received was submitted with the required paperwork and is mathematically correct.

We recommend the Borough award the project to Wayco, Incorporated in the amount of \$22,491.00. We have worked with Wayco, Incorporated in the past and have found their work to be satisfactory.

Please advise how the Borough wishes to proceed. If you have any questions, please contact my office.

Dear Council President Galati,

I am interested in filling the vacancy on the Jessup Borough Planning Commission. My professional work experience has prepared me for this role. I previously served as a member of both the Archbald Borough and Athens Township Planning Commissions. In 2009 I received a certification in Municipal Planning from the PA State Association of Boroughs. I realize that certification is approximately 15 years ago so I would be willing to be recertified at my own expense.

In addition, part of my role with my current employer affords me the opportunity to interact with municipal and county planning commissions throughout NEPA while being the company point person during plan submission and public hearings. As such, currently, I read and interpret local zoning ordinances and SALDO's and determine their applicability to our projects and apply pertinent ordinances and rules in order for our projects to be approved. Therefore, I am able to bring a unique perspective and knowledge to this position.

Giving back to the community is a source of pride for me and I would be honored to serve my hometown as a member of its planning commission.

Thank you for your consideration,

Michael Narcavage III
