Aye carried. (5-0)

Reports:

Mayor Buckshon gave highlights of the Railriders game celebrating Jessup, the July 5th Celebration and announced the upcoming National Night Out on August 8, 2026.

Planning Commission Chairperson, Brittani Barscheski played a clip of the 6-0 July 2, 2026, Council meeting when Council voted to present the draft amendment to the zoning ordinance to Lackawanna County and Jessup Planning Commissions. She pointed out that in her opinion there could be potential issues if the noise ordinance is passed. She feels the draft was invalid and feels it needs further review by the Planning Commission.

Controller Benjamin Cardoni gave an overview of the Borough accounts for the month.

Tax Collector Genevieve Lupini announced an issue with the school district bills. Lackawanna County and the School District are reviewing them and new bills will be issued.

Police Chief Edward Boettcher gave an update on abandoned vehicles throughout the Borough, discussed a neighborhood watch that was once in existence in Jessup and noted there were an excessive amount of dog calls for the month. He reminded residents to keep their dogs on a leash or contained in a fenced in yard.

Borough Manager Coleen Watt announced Olga Street would be paved on August 11th and the Borough is going to demo a credit card machine.

Council Comments: Brian Barrett thanked DPW and the police for help at the July 5th event. He congratulated the Valley View Softball Team. Curt Camoni congratulated the Valley View Softball Team and commented on the fantastic July 5th event. Jerry Crinella discussed community benefits agreements, enclosing switch yards and congratulated the Valley View Softball Team. Ron Kordish thanked the Chief of Police, noted there is a lull in hits to the bridge on Constitution and he is looking to adapt the bank and update our current facility. He would like an inventory of DPW equipment. Robbie Martin congratulated the Valley View Girls Softball Team, thanked the police and DPW. Gregg Betti noted summer camp has ended. 75 kids signed up and the borough averaged 45 kids per day. July 5th was fantastic! Tom Fiorelli submitted a statement regarding the noise ordinance.

Public Comment: Mark Cordelli gave an overview of happenings throughout Lackawanna County.

Genevieve Lupini announced the Civil War train is coming to Jessup this year for the September 12th Block Party. There could be an additional 200+ travelers coming to Jessup that day.

Gary Pezak thanked DPW for all they help they give with lift assists. They are always there at a moment's notice.

Sam Sebastianelli made comments regarding the proposed noise ordinance amendment. He discussed the motion to send the approved ordinance amendment to the Lackawanna County and Jessup Planning Commissions. He asked Council to please table the motion to give the Planning Commission the opportunity to review it. He feels this could invalidate the entire ordinance.

Catrina Bauer said her son and his friends were assaulted on July 11th by individuals riding electric scooters. The police did a great job and the kids are fine. She feels these kinds of things should be announced so parents are aware. She was scared. She also asked about school crossing guards. The bus stop at Kinback and Bridge is one of the busiest and largest bus stops. She asked the Borough to get on this.

Melanie Davis commented on how great the July 5th event was. She feels the effort in restoring the bank should be applauded. She thanked Council for fighting blight. She is seeing progress in her neighborhood. She recommended the Borough submit the draft ordinance to a noise expert for an independent review.

Jeff Smith recommended Council add regular citizens to the bank committee to give advice to phase the project. Takes issue with motions V and Y being left blank. He feels residents have the

right to know the name of who is going to be voted on in advance. Commended the Planning Commission for working hard. Takes issue with motion C. The largest supplier of particulate matter in Lackawanna County is located in Jessup. You are looking at 20 tons of particulate matter coming from LEC. Jessup already has their fair share and he feels there doesn't need to be a discussion to join a multi-municipal plan. He is in favor of sending a letter to SLIBCO asking them not to sell property for data center development. AI was handy to find a 2016 study. The economic development strategy for Northeastern Pennsylvania funded by private partners and the Chamber of Commerce. They want to drive interest and they list specific heavy energy industries because of cheap, local gas. Why would we think the Chamber of Commerce has the best interest of Jessup, Olyphant and Archbald. The study is available from the Scranton Times.

Council took a brief break for an executive session.

**Jessup Borough Council
Special Meeting
August 10, 2026, at 7:00 p.m.**

A special meeting of Jessup Borough Council was held on Monday, August 10, 2026, at 7:00 p.m. in the Jessup Borough Building, 395 Lane Street, Jessup, PA 18434.

Pledge of Allegiance to the flag was given.

Call to Order: Meeting was called to order at 7:00 p.m. by Chairperson, Gregg Betti.

Roll Call:	Brian Barrett	Thomas Fiorelli
	Gregg Betti	Ron Kordish
	Curt Camoni	Robbie Martin - Remote
	Jerry Crinella	

Public Comment: Sam Sebastianelli questioned motions A and B and he can't understand why some members would be reluctant to have the planning commission look at the noise ordinance. He went over several items listed in the proposed ordinance he has concerns with.

Brittani Barscheski brought up concerns about the Planning Commission Solicitor. She said they tried to do the right thing and go through the solicitor, but things fell by the wayside.

Melanie Davis said the Planning Commission was told Council met with EPD to come up with the noise ordinance and she was really excited. When it was reviewed by the Planning Commission she asked why the noise levels were raised. That never made sense to her. At the hearing she attended DBT presented a letter addressing the noise limits and she found it odd that a data center developer expert raised the issue of limits. When the draft came back to planning the limits were lowered. She made the point that AJ and Carolyn from EPD are planners not sound experts. She asked why we would not get our own sound expert. She reached out to the Archbald sound expert and he felt there were too many issues with the ordinance as presented. The sound limits are too permissible and she hopes Jessup hires a new expert.

Council Comments:

Curt Camoni noted the motion has nothing to do with what you feel about the noise ordinance. We received a note from a developer saying if the levels are reduced there will be issues. Council sent the letter to our experts. They recommended making the limits the same as the DBA. These changes were not substantial enough to trigger another review by the Planning Commission. He doesn't want to be the test case for pending ordinances. The motion at the July meeting when Council recommended sending the ordinance amendment to planning was related to food trucks, not noise.

Gregg Betti noted it was confusing at last week's meeting. That motion cited by the Planning Commission Chair did not deal with noise. It dealt with food trucks. He noted that Council needs

a more concise report from the Planning Commission. Again, the July motion that was to be sent to the Planning Commission was about food trucks, not noise. He would like to see movement on the noise ordinance because he's concerned about an application coming in the next few months. Tom Fiorelli noted if it's tabled, we can make a motion to send it back to the Planning Commission.

Motions:

- A. Motion to table motion E of the August 5, 2026, agenda which stated as follows: Motion to adopt Ordinance No. 4 of 2025 amending Jessup Borough Zoning Ordinance. Specifically, Article 10 (Environmental Protection), Section 1005 (Noise), Section 1008 (Vibration), Article 15 (Definitions), Section 1502 (Terms Defined). A motion was made by Jerry Crinella second by Tom Fiorelli to table motion E of the August 5, 2026, agenda. Motion failed. (3-4)
- B. Motion to advertise for consideration the adoption of Ordinance No 4 of 2026. Motion was made by Curt Camoni second by Robbie Martin to advertise for consideration the adoption of Ordinance No. 4 of 2026. Aye carried. (7-0)
- C. Motion to accept the resignation of Police Officer Zachary Wargula. Motion was made by Jerry Crinella second by Tom Fiorelli. Aye carried. (7-0)

Adjourn: There being no further business a motion was made by Jerry Crinella second by Tom Fiorelli to adjourn the meeting. Meeting adjourned 7:54 p.m.

Respectfully submitted,

Coleen Watt, Secretary
